Notices

Please Pray:

This week please pray for: Helen Johnson; William Johnstone; Sabina Karpicka, and their loved ones.

- Please pray for the success of the Belton Festival which is taking place this weekend. Many charities, as well as sports and leisure and hobby clubs and societies will be showing what a vibrant and caring society we have here in Grantham and the surrounding villages. Many people will flock to Belton to enjoy the day out and a good number will 'man' the stalls and the activities. *Remember our team who are promoting our strapline, 'Because You're Loved!'*

- Please pray for all our children and young people as they settle into school/college routine. Settling into a stricter routine after relaxing in the long lazy days of the summer can be difficult.

- Give thanks for the good success of this years' Press Open Day'. It was quite like old times to see the traffic queueing up to enter the car park, queues of people waiting to acquire all the lovely goods on offer or listening intently to the guest speaker, or the highlight of the day – meeting and talking with friends old and new. Thank God for special days and special people.

- Please pray for the 23-year-old missionary who was on her way back to her work in Costa Rica and was unjustly accused of a crime at Miami airport. She is now freed from prison but is currently on bail. This distressing episode is putting a huge financial strain on her parents as they fight to prove her innocence.

- Please pray for Joyce Redfern's sister, Thelma. We have been praying for her during our weekly prayer meetings for months. She suffered burns to her arm at the beginning of the year – those injuries will not heal despite the attempts of the medical world. We need more prayers! *Don't forget!*

- Please pray for our Pastor as he ministers to us and others in the district day by day. Please give him the strength, the wisdom that he needs and God's love in abundance.

- Please continue to remember those who are discussing ways to use our premises in the best way possible following the closure of our school.

Community Services. We wish to say a big thank you to all the Community Service team for a tremendous effort in raising £350 for ADRA at the Press Open Day. Our next meeting will be on 16th September at Belton Garden Centre from 10:30-12mid-day.

Everyone is always welcome at any of our meetings.

ADRA Representatives John and Gudrun Middleditch say, 'Well done, everyone! That was an impressive collection. I am so proud of you all and so grateful for your enthusiasm and support for ADRA. Keep your eyes on Jesus every day and keep loving and reaching out to others as you all do.'

Sunday Breakfast: One familiar face is missing from our Sunday morning and week-day Passages. D is currently in Peterborough Hospital where he is sedated and is suffering from organ failure. He was brought out of the sedation after a week, but became very distressed, so he has been sedated once again – he is very ill! His friends are sending messages to his partners' phone when she is at his bedside so he can hear their voices, their encouragement, their love, and their prayers. As one of our volunteers remarked – 'What a community!' All are concerned – all care! Thanks to the Passage volunteers who visit D and take his partner who is disabled. Will you pray for him, too? **Carole's** team this week. **Debbie Rees's** team next week.

Waste Bins: There are now three bins in the kitchen, and they are labelled so that *waste can be put in the correct bin*. The Council Refuse Operatives will not empty bins that contain the 'wrong kind of waste'. So please think before you 'bin' an item.

If any of you play a **musical instrument** and would be happy to play during the song service, please feel free to contact Enikő or Kinga. *Thank you.*

The treasury team wishes to express its thanks for your support of local church budget offerings. We would encourage everyone to continue giving as we move forward in response to the increased operating expenses now having to be met following our school closure. Your generosity is greatly appreciated, and that of our visitors also, as we negotiate our way through this transitional period and establish a sustainable ongoing funding model. Many thanks in anticipation of your positive response.
The Treasury Team.
