### **Notices**

#### **Please Pray:**

This week please pray for: Maz Keane and her family, John Kidd, and Joan Lees.

- Give thanks for the colours of autumn, the trees all over the town and the surrounding countryside are looking spectacular – before we know it the branches will be bare. Take time to scuff and shuffle through the leaves, breathe in the smell of autumn and praise God with a thankful heart.
- Some of our members are going through very uncertain and difficult times. Please pray for those who need specific and special help at this time. God knows who they are.

**Sunday Breakfast:** Last Friday was *World Homeless Day*. Grantham Charities – The Foodbank, The Ark (homeless shelter) and Grantham Poverty Concern (the Passage), were represented by willing volunteers at ASDA Store. Very little money was collected (few carry change these days) but hundreds of customers received leaflets outlining the ‘work of the three charities’. Money has been donated online as a result, so we have benefitted financially as well as raising the awareness of the charities that work hand-in-hand to benefit the poor of this town.

\* The **Harvest produce** today will benefit The Foodbank as well as bringing pleasure to some of our members who are housebound or are in need.

\* Thanks to those who contributed to our Harvest display and to those who arranged it. We give God the glory for the Harvest – that has been safely gathered in and thank the farmers who are still busy (eg sugar beet is still to be harvested).

**Carole’s** team this week. **Debbie Rees’s** team next week.

**Nominating Committee:** Election for this committee will take place this week.

**Church Business Meeting:** to be held next week on Saturday 25<sup>th</sup> October 2025 in the church hall. Closing Sabbath will start at 5:45pm and the business meeting will start at 6pm.

### Introduction to the Adventist Health Message:

Science is slowly catching up with what God has revealed through His Word about how to have true health and healing. Over the coming weeks we will be sharing some of these truths with you and we hope that you will share this information with others. . . ‘The medical missionary work is to be to the work of the church as the right arm to the body. . . . The medical missionary work is the gospel in practice . . . .’ – *Testimonies to the Church*, vol 8, pp77.2.

*Let us share God's health message so that others can benefit with us!*

**Health Nugget:** Introducing the S.U.S.T.A.I.N.M.E. Principles of the Seventh-day Adventist Health Message.

‘Sustain Me’ is an acronym referring to the **9** key principles of the Health Message: **S-Sunlight, U-Use of Water, S-Sleep, T-Trust in God, A-Abstain, I-Inhale, N-Nutrition, M-Moderation, E-Exercise**

Over the next 9 weeks, we will look at what the word of God and Science have to teach us about implementing these 9 key principles of the *Health Message* into our daily lives.

‘The same power that upholds nature, is working also in man.... The laws that govern the heart’s action, regulating the flow of the current of life to the body, are the laws of the mighty Intelligence that has the jurisdiction of the soul. From Him all life proceeds.... For all the objects of His creation, the condition is the same – a life sustained by receiving the life of God, a life exercised in harmony with the Creator’s will. To transgress His law, physical, mental, or moral, is to place one’s self out of harmony with the universe, to

introduce discord, anarchy, ruin.’ – *Education*, pp 99.2.
