## **Notices**

### **Please Pray:**

This week please pray for: Alan & Joyce Redfern and their family; Chris & Debbie Rees and their family; and David & Debbie Richardson and their family.

- Winter chills and winter storms have made us all thankful for warm clothes, warm food and warm homes. As we give thanks give thought to those who are cold, hungry and homeless.
- Please continue to pray for Wendy and Joyce, and all who are coping with health and mobility issues.
- Please pray for the children who will receive the toys donated by the Bikers. Many live with handicaps or in poverty.
- For the victims of the horrific fire that engulfed the 32-storey blocks of flats in Hong Kong. Many have lost their lives, others have lost their homes. Firefighters have given their all to save both lives and property. Pray for all who have been totally devastated by this terrible inferno.
- For those in Sri Lanka who have lost loved ones in the terrible landslide that claimed over 40 lives this week.
- *Please continue to pray for the Nominating Committee as they endeavour to find officers who will serve our church community and its outreach in 2026.*

**The Order Form** for the next quarter’s *Lesson Books* is now on the Notice Board, note that ‘regular names’ are on the list already. If you don’t usually have a Lesson Book and would like one, **please add your name to the list** as soon as possible. *Thank you.*

**Thank you to all the volunteers** who helped with the Bikers’ toy run event last Sunday. All went well and there were enough toys to fulfil all the requests.

- Do you like jigsaws? A large number of 2nd hand jigsaws were donated at the Bikers’ toy run on Sunday. Unfortunately, they weren’t selected by any of the toy recipients. So, looking for people to complete the jigsaws to check they are complete. Plan is to sell them and donate the proceeds to a local children’s organisation. See Elisabeth.

**TBBT practice run** on December 1<sup>st</sup> at 11.30 with the first full event on the 8<sup>th</sup>. We have plenty of room for more volunteers!

## Day of Appreciation – Sabbath, 13<sup>th</sup> December

Invite a family member, neighbour, or colleague you'd like to appreciate in a special way. Join us for worship, a fellowship lunch, and a Christmas Musical Concert from 3–5pm, led by our Pathfinders in support of ADRA.

Concert Tickets (free) available 23<sup>rd</sup> Nov – 6<sup>th</sup> Dec.

A collection to fundraise for ADRA will be taken during the concert, and snacks and refreshments will be on sale afterwards in the main hall, proceeds to go to the same cause. *Please come and experience a taste of heaven.*

**Keep your diaries clear** for both Sabbath and Sunday afternoons next weekend to help with taking December programme invites and gifts along Dudley Road and carol singing at Morrisons. More details to follow.

**ADRA-UK** has set up an emergency appeal to help to support the communities most affected by the hurricane.

**Sunday Breakfast:** Four of our Breakfast volunteers will be working their last shift in the kitchen before the end of this year. They have all served for several years and it will seem strange without them. We thank God that we will be able to maintain our five teams. Over the years we have never been without a competent team each week. We praise God for blessing this mission. Our special thanks go to Debbie Rees, Mike and Sofija Cowen, and Ann Eaton. We will miss your willingness, your skill and your patience, and your love.

**Debbie Rees's** team this week. **Ann Eaton's** team next week.

**Carol Singing at the Isaac Newton Shopping Centre:** 7<sup>th</sup> December 2025, Sunday 2:00-3:30pm. We invite you to reach out with the gospel to people through music at the Isaac Newton Shopping Centre. Both singers and musicians are welcomed. For more info please find Enikő or Kinga.

### Health Nugget: I – Inhale

**Genesis 2:7** 'And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.'

There are 4 vital elements needed for life. In order of importance, they are Oxygen, Water, Sodium, and Potassium. Breathing is the

only way our body has access to Oxygen, which is vitally important for producing energy. In the presence of oxygen, the mitochondria, which are the powerhouse of the cell, can deliver a very impressive 36 units of energy, in the form of ATP (Adenosine TriPhosphate), from one single molecule of glucose via the 8-step aerobic pathway known as the Krebs Cycle. Without Oxygen, a single molecule of glucose breaks down into only 2 ATP units of energy via the 20-step anaerobic pathway known as fermentation.

Breathing in and out solely through our nostrils is the most effective method of delivering Oxygen to the cells. Even after exercise, the fastest way to recover is to breathe in and out through our nostrils.
